EAA CAN MAKE OWNING YOUR OWN AIRCRAFT A REALITY.

For over 50 years EAA has brought people and airplanes closer together. Since 1953 EAA has been making aviation accessible to people who have an interest and desire to make aviation activities and aircraft ownership part of their lives. EAA's 2004 Sweepstakes will help a lucky EAA Member realize the dream of owning his or her own brand new airplane.

The featured airplane is a Sport Pilot Ready Zodiac XL kit aircraft. It comes complete with 100-hp Rotax® aircraft engine, tools, hardware, training and everything else you'll need to build this sporty two seat aircraft. Aircraft Spruce & Specialty Co. is providing instruments and accessories to make this package complete. The only thing the winner adds is his or her time. And, EAA is here as always to help the builder by assigning a Technical Counselor, Flight Advisor and local EAA Chapter to assist the lucky winner in building the brand new Zodiac, from Zenith Aircraft Co.
